ABOUT JAYMES & DAPHNE FUND

The Jaymes and Daphne Fund originated to cover the medical and living costs for stray and abandoned animals until they find their furever home. The fund has helped prevent over 250 animals from crossing the rainbow bridge since its founding in 2013. The variety of animals receiving assistance from the fund range from feral cats and stray dogs to wild deer, turtles, and squirrels, to name a few. The Jaymes & Daphne Fund receives support from caring animal lovers and the annual Pet Palooza! The Jaymes and Daphne Fund's mission is to cover the expenses for medical care and provide for the living expenses for stray and abandoned animals that would otherwise be euthanized, thus enabling them the opportunity to experience the loving furever home they deserve!
