

ADDENDUM #1
RFQ 2021-002 CSS_FD
MUNICIPAL UTILITIES COST OF SERVICE STUDY

QUESTIONS/CLARIFICATIONS TO DATE

Section 3 references tasks that the "selected respondent" will perform for the Seneca Light & Water and the City of Seneca. Our desire with subsections 3.1 - 3.4 is to see each respondent's qualifications in those specific areas.

The COS RFQ schedule has been updated.

We anticipate the cost of service study being fully completed by the end of January 2022.

In person meetings and/or conference calls will be available upon request.
