NEW STRICKLAND'S RESTAURANT OFFERS ANOTHER DELICIOUS CHOICE IN DOWNTOWN SENECA

Spring of 2020 will be remembered for many reasons in Seneca, but one of the more positive and uplifting events was the grand opening of Strickland's Restaurant on E.N. 1st Street in April.

Owners Skip Jervis, Jason Murphy, and Amanda Porter Gessell gave new life to an old building on E.N. 1st Street with a new eatery that promises a customer experience that is "simple enough to be comfortable yet different enough to set us apart." Aided by a staff that contributes enthusiasm and a desire to please their customers, Strickland's successfully launched a breakfast and lunch menu that may at first feel familiar, but soon surprises diners with quality of ingredients and attention to detail. The three owners invite you to give them a chance to win you over and let them show you the "Strickland difference."
