In 1873 ...

- Ulysses S Grant is sworn in for a second term as President of the United States.
- The New York stock market crash triggers the Panic of 1873, part of the Long Depression.
- Central Park is officially completed in New York City.
- Barbed wire is invented, later called the invention that tamed the West.
- Metal rivets are used for the first time by the Levi Strauss Company, giving birth to the blue jean.
