# More from the City of Seneca!

Mayor Dan Alexander & Seneca City Council member Joel Ward were on hand August 17th to wish former NAPA employee Jimmy Stancil a very happy 91st birthday!

Mayor Dan Alexander attended a retirement ceremony August 30th for the Tribble Center's human resources director Tommy Chewing. Shown also is his wife, Kim Chewing. Mr. Chewing has been in that position for 32 years.

Senior Class President Turner Wilson & Seneca HS Principal Dylan Hudson surprised Mayor Pro Tem Ronnie O'Kelley with a special 150th birthday cake, banner, and balloons to celebrate the City's sesquicentennial.

Mayor Dan Alexander & City Administrator Scott Moulder met with US Congressman Jeff Duncan on his recent visit to Seneca City Hall.

The site of the City of Seneca PetSafe Dog Park looked much cleaner after a group of volunteers representing different areas of our community picked up a dumpster load of sticks and debris on a hot August morning. City of Seneca Council member Denise Rozman organized the work day and has plans for a second work day when the mulch arrives at the dog park. Seth the Comfort dog helped, too!
